

Constructing Excellence South West

Regional Membership

1st April 2018 - 31st March 2019

CORNERSTONE HOUSING

Constructing Excellence South West is the single organisation charged with driving the change agenda in construction within the south west region and we form part of the Constructing Excellence Regional Network (CERN). We exist to improve industry performance in order to produce a better built environment. We are a cross-sector, cross-supply chain, member led organisation operating for the good of industry and its stakeholders.
